MEMORANDUM OF UNDERSTANDING

BETWEEN

CITY OF LOS ALTOS

AND

SANITARY TRUCK DRIVERS AND HELPERS UNION LOCAL 350

July 1, 2013 – June 30, 2016

PREAMBLE

This Memorandum of Agreement is entered into by the City of Los Altos (hereinafter referred to as the City) and by SANITARY TRUCK DRIVERS AND HELPERS TEAMSTERS UNION LOCAL 350 (hereinafter referred to as the UNION). Employee, for the purposes of this Memorandum of Agreement shall mean an employee to a classification within the Teamsters unit. This Memorandum of Understanding is pursuant and subject to Sections 3500-3510 of the Government Code of the State of California.

ARTICLE 1. RECOGNITION

Pursuant to City policies and procedures and Section 3500-3510 of the government Code of the State of California, the City recognizes the Union as the exclusive representative of a representation unit consisting of all regular full-time employees in the classifications listed in Appendix A attached. This unit shall, for purposes of identification, be entitled the Teamster Unit.

ARTICLE 2. NO DISCRIMINATION

The City and Union agree that no person covered by this agreement hereto shall be discriminated against because of race, religious creed, political affiliation, color, national origin, ancestry, union activity, disability, marital status, sex, age, or sexual orientation, unless such factor is a bona fide occupational qualification or such action is required to comply with Federal or State law.

ARTICLE 3. SECURITY PROVISIONS

3.1 Maintenance of Membership:

Except as provided below, an employee is a member of the Union on July 1, 2000 or an employee who voluntarily joins the Union during the term of this Agreement shall remain a member in good standing for the term of this Agreement. During the first ten (10) calendar days of the month of July each year, employees who are members may withdraw membership in the Union by mailing a notice of withdrawal by United States Postal certified mail or hand deliver said notice of withdrawal to the Union and the City's authorized agents specified in Article 23.

3.2 Agency Shop:

Pursuant to Government Code section 3502.5, on November 9, 2005, bargaining unit members voted to adopt an agency shop. The City neither encouraged nor discouraged this action by bargaining unit members. Any language in this agreement relating to an agency shop is included solely in response to the vote by a majority of bargaining unit members that:

It shall be a condition of continued employment for an employee who chooses not to be a Union member to pay to the Union a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments imposed by the Union. The amount of the service fee shall be the percentage of such dues, initiation fee and assessments that the Union's expenditures for representation of employees in collective bargaining bears to the total expenditures of the Union. This fee shall be referred to as a "representation service fee."

The requirement that non-members pay this representation service fee shall remain in effect until the earlier of: (1) expiration of this Agreement; (2) termination of the Agency Shop clause by action of the bargaining unit; or (3) legislation invalidating the manner in which Agency Shop was adopted.

3.3 Religious Exception:

An exception to the requirements in Section 3.1 and 3.2 exists for an employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations. An employee who invokes this exception shall be required, pursuant to Section 3502.5(c) of the California Government Code, to pay sums equal to the dues, initiation fees or agency shop fees to a non-religious, non-labor, charitable fund selected by the employee from one of the following organizations:

1. United Way.
2. Delancey Street.
3. Rotary Club of San Francisco, Greater Mission.

Any employee who makes charitable payments pursuant to this provision shall provide the City with documentary evidence of such payments on a monthly or annual basis as a condition of continued participation in the exemption from the requirement to pay a representation service fee to the Union. Employees who fail to provide proof of

charitable payments will be required to pay a representation service fee. The City shall forward proof of charitable payments received from employees to the Union upon request.

3.4 Dues Deduction:

Payroll deductions for membership dues and representation service fees shall be granted by the City to the Union. The following procedures shall be observed in the withholding of employee earnings.

(a) Payroll deductions shall be for a uniform specified amount for all Union members and a separate uniform specified amount for representation service fee payers, and shall not include fines. The Union may change the fixed uniform dollar amount once each calendar year during the life of this Agreement. The Union will give the City thirty (30) days notice of any such change. Dues deductions shall be made only upon the employee's voluntary signed written authorization on a payroll deduction request form approved by the City.

(b) The amount of any representation service fee required under this Article shall be determined by the Union and communicated to the City and non-members annually, concurrently with or immediately following the filing of the Union's LM-2 forms with the United States Department of Labor, but no later than sixty (60) days after the end of the Union's fiscal year. Failure by the Union to timely provide information regarding the amount of any representation service fee may result in the City's suspension of payroll deductions for service payers until the next payroll after which representation service information is provided to the City. The City will begin the payroll deductions of any representation service fees required under this Article in the first complete payroll period following receipt of information from the Union about the amount of the representation service fee. No retroactive agency fee deductions will be made.

(c) Any dispute regarding payment of a representation service fee, including but not limited to any objection regarding the requirement to pay a fee or the amount of fee charge must be submitted directly to the Union.

(d) The Union shall make available, at its expense, an expeditious administrative appeals procedure to any non-member unit employee who objects to the payment of any portion of the representation service fee. Such procedure shall provide for a prompt decision to be made and the impartial decision-maker to be jointly selected by the union and the objecting employee. The Union shall make available a copy of such procedure to non-member unit employees and the City prior to the time that any non-member unit employee becomes subject to the payment of representation service fees. The Union agrees to provide a copy of any revisions to this procedure to the City and any non-member unit employee within five (5) business days of when such revisions are adopted by the Union. The Union agrees that this procedure and revisions shall comply all relevant legal requirements, including but not limited to any regulations promulgated by the Public Employment Relations Board.

(e) Amounts deducted and withheld by the City shall be transmitted to the Union, at the address specified.

(f) When an employee is in a non-pay status for an entire pay period (currently one month), no withholding will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding no deduction shall be made. In this connection, all required deductions have priority over the Union dues deduction.

(g) The Union shall refund to the City an amount paid to it in error upon presentation of supporting evidence.

(h) The Union shall indemnify defend and hold harmless the City and its officials, representatives and agents against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all reasonable legal costs that shall arise out of or by reason of action taken or not taken by the City in complying with the provisions of this Article. The Union's indemnity and liability obligation is more fully set forth as follows:

1. The Union shall defend, indemnify and hold harmless the City and its officers and employees from any claim, loss, liability, cause of action or administrative proceeding arising out of the operation of this Article. Upon commencement of such legal action, administrative proceeding, or claim, the Union shall have the right to decide and determine whether any claim, administrative proceeding, liability, suit or judgment made or brought against the City or its officers and employees because of any application of this Article shall or shall not be compromised, resisted, defended, tried or appealed. Any such decision on the part of the Union shall not diminish the Union's defense and indemnification obligations under this Agreement.

2. The City, immediately upon receipt of notice of such claim, proceeding or legal action shall inform the Union of such action, provide the Union with all information, documents, and assistance necessary for the Union's defense or settlement of such action and fully cooperate with the Union in providing all necessary employee witnesses and assistance necessary for such defense. The cost of any such assistance shall be paid by the Union.

3. The Union, upon its compromise or settlement of such action or matter shall timely pay the parties to such action all such sums due under such settlement or compromise. The Union, upon final order and judgment of a Court of competent jurisdiction awarding damages or costs to any employee, shall pay all sums owing under such order and judgment.

(i) It is specifically agreed that any dispute between the City and the Union concerning the amount of the uniform dues deduction, the amount of the

representation service fee, and/or the responsibilities of the Union with respect to these matters shall be resolved in accordance with the grievance procedures set forth in this Agreement. The Union hereby expressly waives any right to file an unfair labor practice charge with the Public Employment Relations Board regarding any dispute between the City and the Union arising under this Article 3.

ARTICLE 4. UNION RIGHTS

4.1 Meet and Confer:

The Union will be notified and given the opportunity to meet and confer prior to changes in terms and conditions of employment which are within the scope of representation as defined by the Meyers Milius Brown Act. The City retains the right to act on matters within the scope of representation after discharging all of its obligation under the Meyers Milius Brown Act.

4.2 New Employee Notification:

When an employee is hired in any of the covered job classifications, the City shall notify the employee that the Union is the exclusive recognized bargaining representative for that classification in said unit and shall inform the employee of their right to join and participate in activities of the Union.

4.3 Bulletin Board:

The Union shall be allowed use of available bulletin board space as determined by the City Manager or his/her duly authorized representative. The board shall be used for the following subjects:

- a. Information on Union elections, reports and notices;
- b. Reports of official business of the Union; and
- c. Scheduled membership benefits, programs and promotions;

Said bulletin board shall not contain any derogatory, defamatory, or inflammatory statement concerning the City or City personnel, nor any material, which impair the operation of the City. Prior to posting of any notice on the designated bulletin board, the Union shall file one (1) copy of said notice or material with the Public Works Superintendent or his/her duly authorized representative.

4.4 Access To Union Representatives:

Membership meetings, organizing activities, membership campaigns, or dues collecting by Union or their representative on City premises or at work locations/sites during regular hours of work shall not be permitted.

Representative of the Union shall be granted reasonable access to employee work locations/sites to investigate matters relating to employer-employee relations, unless such access to given work locations/sites would constitute a safety hazard or would interfere with the operations of the City. Access to work locations/sites shall be regulated by the City so as not to constitute a safety or to interfere with operations of

the City. Representatives of the Union shall not enter a work location/site without advance notification to the Assistant to the City Manager/Personnel Director or his/her duly authorized representative.

4.5 Steward:

The Union shall have the right to certify one (1) steward to represent other employees in disciplinary or grievance matters. The Steward may have one (1) alternate steward whose sole purpose shall be to serve in the absence of the steward.

The Union shall notify the City in writing of the name of the steward. Stewards shall conduct their representation activities on their own time and on the employee's own time, unless prior approval has been received from the appropriate supervisor, or manager in order to leave the job site. Time off without loss of compensation shall be allowed for management approved meetings.

4.6 Meeting Places:

The Union shall have the same right as any other private organization to reserve City meeting rooms and facilities during non-working hours. Use of such meeting rooms and facilities shall be subject to established city policies and procedures for rental of such facilities.

ARTICLE 5. MANAGEMENT RIGHTS

5.1 Rights Retained:

The City reserves all rights with respect to matters of general legislative, managerial and financial policy including, among others: the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards and the levels of service; determine the procedure and standards of selection for employment; direct and schedule its employees; establish and enforce performance standards; take disciplinary action; relieve its employees of duties because of lack of work or for other legitimate reasons; maintain the efficiency of government operations; determine the methods, means and personnel by which governmental operations are to be conducted; require overtime; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and technology of performing its work. These rights shall be limited only as specified in the Agreement.

Nothing in this Article shall be construed to limit, amend, decrease, revoke or otherwise modify the rights vested in the City by and law regulating, authorizing or empowering the City to act or refrain from acting.

5.2 Impact on Bargaining Unit:

The exercise of such rights shall not preclude the Union from meeting and conferring with City representatives about the impact that decisions on these matters may have on wages, benefits, and other terms and conditions of employment.

5.3 Emergency:

Except in an emergency, City decisions shall not supersede the provisions of this Agreement. Emergency shall mean the actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within the City caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, earthquake, or other conditions, including conditions resulting from war or imminent threat of war. Action taken by the City to meet such emergency that are not in compliance with this Agreement shall be in effect only for the duration of the emergency.

ARTICLE 6. LAYOFF AND RECALL

6.1 Definition of Layoff:

Layoff means the elimination of an employee's classification or position.

6.2 Reason for Layoff:

The City in its discretion shall determine whether layoffs are necessary unless it is clearly established that such a determination is arbitrary. Although not limited to the following, layoffs shall ordinarily be for lack of work, material change in duties or organization, and/or lack of funds.

6.3 Notification of Layoff:

Employees laid off due to the above reasons will be given written notice, either by certified mail or hand delivery, at least thirty (30) calendar days before the effective date of the layoff. A copy of such notice will be given to the Union.

6.4 Order of Layoff:

If it is determined that layoffs are necessary, employees will be laid off in the following order:

- (a) Temporary employees;
- (b) Probationary employees;
- (c) In the event of further reductions in force, employees will be laid off from the affected classification in accordance with their seniority, and their ability to perform the remaining work available without further training.

6.5 Reassignment:

In lieu of layoff, the City may at its discretion (after consulting with the department head concerned) offer the employee(s) whose position is subject to elimination, the opportunity to transfer to a current vacant position.

6.6 Reemployment Rights:

Employees who are laid off and whose last performance review was satisfactory or better shall be placed on a recall list for a period of one (1) year. An employee's name will remain on the list for one (1) year, or until he/she is offered an equal or comparable position in the laid off class, whichever comes first. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their

layoff, provided he/she is presently qualified to perform the work in the job classification to which he/she is recalled without further training.

If an employee is recalled to a position in a lower rated job classification, he/she shall have the right to return to the job classification he/she held prior to being laid off in the event it subsequently becomes available. If an employee is recalled to a lower rated job classification, the employee shall have the right to refuse the recall. The City shall not hire new employees in bargaining unit positions so long as there are still employees on the recall list who are presently qualified to perform the work in the affected job classification and are willing to be recalled to said classification.

6.6.1 Employees, who accepted demotions in lieu of layoff, will be granted the same reemployment right as laid off employees.

6.6.2 Employees on reemployment lists shall have the right to apply for promotional positions.

6.6.3 Employees on reemployment lists eligible for recall shall be given written notice of recall. The notice may be hand-delivered or sent by certified mail or registered mail with a copy to the Union, provided that the employee must notify the City of his/her intention to return within three (3) days after receiving notice of recall. The City shall be deemed to have fulfilled its obligations by mailing the recall notice by registered mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the City with his/her latest mailing address.

6.7 Full Rights:

Employees who are laid off and are subsequently rehired within the one (1) year reemployment period will have their vacation accrual rate, and accumulated sick leave balance restored to the level they were upon separation.

ARTICLE 7. SENIORITY

7.1 Definition Seniority:

Seniority shall, for the purpose of this Agreement, be defined as an employee's length of continuous full-time service for the City of Los Altos since his/her last date of hire, less any adjustments due to layoff, approved leaves of absence greater than 30 days, unless otherwise specified by law.

7.2 Application for Seniority:

In all applications of seniority under this Agreement the ability of the employee shall mean having at least a satisfactory rating or better from his/her last performance review, the qualifications and ability (including physical fitness) of an employee to perform the required work. Where the last performance review is satisfactory or better, ability and qualifications to perform the required work are, among the employees concerned, relatively equal seniority as defined above shall govern.

ARTICLE 8. PAY RATES AND PRACTICES

8.1 Salaries:

Effective the first full pay period in July 2013, base salaries (defined as base pay plus Employer Paid Member Contribution) shall be increased 2%. In addition, represented classifications will receive a one-time \$1,000 salary bonus to be paid on the first pay period in December 2013.

Effective the first full pay period in July 2014, base salaries shall be increased 2%. In addition, represented classifications will receive a one-time \$1,000 salary bonus to be paid on the first pay period in December 2014.

Effective the first full pay period in July 2015, base salary (defined as base pay only) shall be increased 3%.

Salaries for all represented classifications during the term of this agreement are listed in Appendix A.

8.2 Step Increases:

Pay increases within the established pay range shall not be automatic, but shall depend upon increased service value of an employee to the City as shown by recommendations of the supervisor, performance, length of service, special training taken, or other pertinent evidence.

The first [A] Step is the minimum rate and should normally be the hiring rate for the classification. The City Manager or designee may hire above this step in case of an unusually well qualified person or in a tight labor market, or when such action in his/her opinion clearly appears to be in the best interests of the City.

The second [B] Step is an incentive adjustment to encourage an employee to improve his/her work. An employee shall be eligible for consideration of a merit increase to second step after six (6) months of continuous service. Such merit increase shall be given only if recommended by the department head and approved by the City Manager or designee. Normally, an employee whose performance does not justify a merit increase to the second step should be released.

The third [C] Step is the rate at which an employee should be paid after satisfactory performance in a given classification with not less than one (1) year's service at Step B.

A merit increase to third step shall be granted only upon recommendation of the department head and approval of the City Manager or his/her designee.

The fourth [D] Step should be granted only after the employee has served a minimum of one (1) year at the third step and upon recommendation of the department head that the employee's work is fully satisfactory and upon approval of the City Manager or his/her designee.

The fifth [E] Step is the rate for a fully qualified and experienced employee. An employee should be eligible for consideration for adjustment to this step only after serving a minimum of one (1) year at the fourth step and upon recommendation of his/her department head and the approval of the City Manager or his/her designee.

This step shall be considered maximum pay for competent performance of all the duties accruing to the individual position by an experienced and qualified employee.

8.3 Mileage Reimbursement:

Employees required to travel on City business shall either be provided with a City vehicle or reimbursed for transportation expenses. City business does not include travel from home to work.

Employees required to use their private automobiles for City related business shall be reimbursed for all such authorized travel at the current IRS rate. Employees using their private vehicles must maintain appropriate automobile insurance coverage.

8.4 Promotion

An employee shall receive a minimum five percent (5%) increase to their base salary when they are promoted.

ARTICLE 9. HOURS OF WORK, OVERTIME, PREMIUM PAY

9.1 Application:

This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the City from restructuring the normal work day or work week for the purpose of promoting the efficiency of municipal government operations or from directing and establishing the work schedules of employees. Attachment C provides the City of Los Altos Administrative Instruction for the 9/80 Work Schedule for crews interested and eligible to participate in a 9/80 program. It is mutually agreed that the intention is to try the schedule on a year round basis. All parties acknowledge, however, the City's right to revert to a standard 10/80 schedule if needed for efficient municipal management. The Administrative Instruction for 9/80 Work Schedule will provide guidance for the change in work schedules with these exceptions:

- (a) Public Works employees will be allowed to combine their afternoon break into the lunch break (lunch break occurs from noon to 12:30).
- (b) On occasion, as scheduling allows, and only with the prior permission of the Superintendent, employees will be allowed to make up the one hour difference in lieu of using their accrued leave balances for holidays for which they receive only 8 hours of compensation. This additional work shall be a minimum of a half hour. Such time will always be paid at straight time.

9.2 Work Week and Work Day:

The normal workday shall consist of eight (8) hours of work, excepting a meal period within a twenty-four (24) hour period, unless an alternate work schedule has been

approved by the City. The normal work week shall consist of forty (40) hours made up of five (5) eight (8) hour days in a seven (7) day period, except in cases of emergency or unless an alternate work schedule has been approved by the City. Employees on an Alternative Work Schedule only earn overtime following the completion of their standard shift.

9.3 Work Schedule:

Employees shall be assigned to work shifts with scheduled starting and quitting times. Should it be necessary, in the interest of efficient operations, or due to a special event or circumstances to establish daily or weekly work schedules departing from the normal work day or the normal work week, the City shall give at least five (5) working days notice of such change to the affected employee(s). Nothing herein shall prohibit the City from adjusting the work hours or days. Work schedules shall not be unjustly changed. If an employee is required to return to work more than sixteen (16) hours in a twenty-four (24) hour period, the employee shall have at least eight (8) hours rest between shifts, except in the case of emergencies.

During the term of this Agreement, employees, subject to the conditions of their job assignment, may propose an alternate work schedule. Such proposals must be made to the department head through the immediate supervisor. Alternative work schedules will be considered on a case by case basis. If the proposed alternate work schedule is approved, it will be implemented as soon as possible. The City may change any approved alternate schedule back to the normal work schedule at any time and for any reason with or without consulting the employee. However, the City will provide as much notice as is reasonably possible and practical to the employee if the work schedule is to be changed back.

9.4 Overtime Work:

Overtime work for all non-exempt employees shall be defined as any time worked beyond the normal eight (8) work day or beyond the normal forty (40) hour work week.

Compensation to employees working overtime shall be paid at one and one-half (1 ½) times their regular straight time hourly rate of pay for all authorized hours of work in excess of eight (8) hours in the work day or forty (40) hours in the work week. Paid time off due to sick leave, holidays, vacation or other paid leaves is included as "time worked" in computing the forty (40) hour per week requirement. In lieu of overtime pay, the employee may elect to receive compensatory time off at the rate of one and one-half (1 ½) times the hours worked. Employees shall be allowed to accrue up to eighty (80) hours compensatory time off in lieu of paid overtime subject to the approval of the City Manager or his/her duly authorized representative. Compensatory time shall be granted at such times and in such time blocks as are mutually agreed upon between the involved employee and his supervisor; permission to utilize compensatory time off shall not be unreasonably denied by the supervisor if operating requirements will not be adversely affected.

9.5 Meal Breaks:

All employees shall, be entitled to a thirty (30) minute non-paid meal period during each eight (8) hour work shift, except evening shift workers who will be granted a thirty (30) minute paid meal break. Whenever possible, this meal period shall be scheduled at the middle of each shift.

9.6 Rest Periods:

All employees shall be granted a rest period or coffee break limited to fifteen (15) minutes during each four (4) hours of work. Rest periods not taken shall be waived. The morning rest period shall be granted near the middle of each four hour shift whenever this is feasible. The afternoon rest period shall be combined with the thirty-(30) minute meal break.

Employees are entirely relieved of responsibilities and restrictions during their meal period, unless they are assigned to work an on-duty meal period, which will be treated as paid time.

9.7 Clean-Up Time:

All employees whose work causes their person or clothing to become soiled shall be provided with reasonable time not to exceed ten (10) minutes for clean-up period prior to the end of each work shift.

9.8 Standby Pay, Call-Out Pay:

9.8.1. **Standby Compensation:** The City will pay two (2) hours per day at the E step of Maintenance Worker III at straight time for each 24 hours on standby by pro-rated.

9.8.2 **Minimum Call-Out Pay:** Call back compensation shall be a minimum of two (2) hours at time and a half (1 ½) Call backs between the hours of 9:00 p.m. and 5:00 a.m. will be compensated at a minimum of four (4) hours at time and a half (1 ½).

9.9 Weekend Work Program (WWP):

Employees assigned to the WWP shall be compensated at the overtime rate.

ARTICLE 10. UNIFORMS, BOOTS, TOOLS, AND LICENSES

10.1 Uniforms:

The uniform items are not to be used other than working for the City or while traveling to and from work. Uniforms will be ordered to arrive prior to September 30, if possible. The City shall provide uniforms as follows:

Each six (6) months or twelve (12) month period shall begin on the date the employee returns to work following an illness.

In the event of an industrial injury or disability, an employee shall be eligible for the use of inactive time to maintain his/her perfect attendance record as it pertains to bonus vacation days. To be eligible for "inactive time", an employee must have completed a minimum of one (1) year of employment with perfect attendance immediately prior to the date of the industrial injury or disability. An employee can only utilize "inactive time" once within a six-month time period. The six-month period begins when the employee returns to work following the "inactive time" period.

"Inactive time" is defined as a time period in which an employee is absent due to an industrial injury or disability. criteria. The employee must both begin and successfully complete the class while employed by the City.

The employee must submit an application on the prescribed form to the appropriate Department Head giving all information needed for an evaluation of the request. If a class is approved and later found to be unavailable, a substitute class may be approved after enrollment. Requests for exceptions to the maximum reimbursement level of \$200.00 must be submitted in writing to the Department Head. They will be considered on a case by case basis by the City Manager, whose decision will be final.

Upon completion of the class, the employee must submit to the City a request for reimbursement accompanied by a copy of the school grade report or a certificate of completion. The employee must have attained a grade of "C" or above (or a pass on the pass/fail system) to be entitled to reimbursement. 19.7 City Manager Review:

9/80 WORK SCHEDULE

PURPOSE

This policy is intended to provide employees with more flexibility in their work schedules so long as the needs of our organization are met and the schedule is within the framework of our existing personnel rules and regulations and agreements.

POLICY

Upon written request by an employee, the City will schedule the employee to work a "9/80" pay period whenever practical. This schedule will only be used if it maintains the service levels we provide and is transparent to our citizens. In addition, this scheduling will be subject to the conditions, limitations and procedures outlined in this Instruction.

Work schedules have been and will continue to be determined by City Departments based upon the need to provide service to our citizens. These schedules will continue to be administered by the Department and this policy does not change our past practice.

Definition. A 9/80 schedule means a work schedule of 80 work hours, scheduled over the course of nine workdays during a single biweekly pay period. The typical 9/80 schedule consists of 8 9-hour work days, Monday through Thursday of each week, with one 8-hour work day on one of the Fridays, shown on a timesheet as follows:

WEEK 1					WEEK 2					
9	9	9	9	8	9	9	9	9		O R
9	9	9	9		9	9	9	9	8	

1. The only scheduled day off as part of this policy is a Friday in the 1st or 2nd week of the pay period.
2. The City will consider and allow such schedules so long as it does not diminish the quality or availability of city services and does not result in increased costs.
3. Before each pay period begins, the Department will determine whether the employee will work a normal work schedule or whether the "9/80" request can be allowed. If

the employee is not notified of a change in their currently approved work schedule before the start of the pay period, the schedule will continue for that pay period.

4. Starting and ending times for the work day continue to be subject to approval by the department manager and may be adjusted from time to time, as necessary to provide adequate staffing and coverage. Employees may work a 9.5 hour schedule with a thirty minute lunch or a 10 hour schedule with a one hour lunch, based on existing policies and practices at the department level. Breaks are considered paid time, required by law and cannot be combined with the lunch period to shorten the work schedule.
5. Integration with holidays and paid leave
 - a. When a holiday falls on an employee's scheduled day off, manager has discretion at the employee's request to assign the employee to work a normal schedule during that pay period, or assign the employee an alternate day off during the pay period in lieu of the holiday.*
 - b. When a holiday falls on a regularly scheduled 9-hour work day, the employee receives the normal eight hours of time off. The employee may decide to take an additional hour of paid leave (vacation, floating holiday, comptime, etc.) or they will be scheduled to work another hour during another day in the pay period. This day would usually be the working Friday.
 - c. Both items 3 and 4 are necessary to ensure that all employees, regardless of schedule, receive the same number of holiday hours per year and their annual total neither exceeds nor is less than the eighty (80) hours granted by the City.
 - d. Employees who take compensated time off on a 9-hour workday will be charged nine hours of leave.
6. Overtime provisions
 - a. The workweek for overtime calculation purposes for employees on 9/80 schedules is the 168-hour, 7-day period beginning at 12:00 noon on Friday.
 - b. The workday is the 24-hour period beginning at 12:00 noon each day.
 - c. Overtime for eligible non-exempt employees will be paid for all work in excess of forty hours per week or in excess of the regularly scheduled shift.
